

THE BLOOPER

Commodore's Message

We're into June and I think the weather is starting to cooperate on a consistent basis, but I can't be fully sure. The diesel engine in Knot So Fast finally appears to be running consistently and well, so our boating will be picking up steam soon with an eye towards some club cruises. I have posted a couple of raft-up events (July 3 at Goddard Park and July 4 in Newport Harbor) so if you're not yet in the water it's time to get a move on. And of course our racing, cruising, and the much-awaited 'Cruise to Pickering's Treasure Island' isn't far away. Check out the info here in the Blooper, and also on Facebook and WestBayYachtClub.org.

A great thanks to the members who have been planning and executing our recent events. The Mess Hall in the Armory now has 5 round tables which will be a lot more inviting and comfortable than the wooden benches and table. For those who haven't been there yet, why not sign up for the next event and meet other members? Your club needs participation from every member. If you're not sure how you can participate, call any of the board members (they are listed on the website) and they will be happy to suggest a few ideas. It's a great time of year to get out on the water and meet new people. I'm hoping to meet at least 5 members that I don't currently know at one of the two raft-ups, so mark your calendar and I'll see you soon.

Thanks

Rear Commodore's Message

Summer is ramping up fast, and all our activities are in full swing here at WBYC! Race Committee has already begun the Monday night summer series; and many racers are coming back to the

armory afterwards where Jo-Ann and our enthusiastic activity volunteers are putting together some fabulously delicious dinners. You don't even need to race to enjoy the evening, just call Jo-Ann and tell her you'd like to come for dinner (around 8:00-8:30). Partake in the comradery and cuisine while the evening's race results are read, and participate in applauding all the boats as everyone cheers and claps for each other's accomplishments.

Racing will be having its first Saturday race coming up on June 23rd: The Rainone Solo/Twin where you race either single handed or with one other person. It's a challenging but rewarding experience, and something everyone should try. You may surprise yourself at how accomplished you will feel!

Cruising is having its first event soon too, also on June 23rd at the Annual Family cookout at Cedar Tree Point Beach (aka "Pickering's Treasure Island"). It will be a ton of fun for the whole family! It starts mid-afternoon and goes till after dark, ending with an exciting fireworks show! Read more about it in this Blooper.

In fact, if you are racing in the Rainone Solo/Twin, why not gather the family and crew afterwards and head over to Dave and Leann's Treasure Island Cookout. What better way to wind down a great day than to enjoy hot dogs & hamburgers, play a few games and watch some fire works with friends?

Don't forget to join us for our always popular Raft-ups. This year there are two, back to back, catching all the best fireworks on the bay: One on July 3rd at Goddard park to see the Oakland Beach fireworks, and one on July 4th in Newport, off of Fort Adams, to see the Newport and Jamestown firework display. Just look for the "Anchor Boat", Scott and Julie's Knot So Fast. Bring an appetizer to share, BYOB, and hank on by sunset to see the show!

So many fun activities and so little time...hope you can make it to some or all of these great events!

From the Membership Desk

Hello Members,

Just a quick note to reach out to all of our members to say hello and offer my help in navigating the inner workings of the club. Don't let the summer pass by without at least checking out the new clubhouse at the Varnum Armory in East Greenwich. It's a spectacular place to visit.

Our on-the-water events have started too. Racing is just underway and cruising starts next weekend. This year I have created a Sunday sail group for those of us looking to sail in a day sailing fashion. This is tailored around the smaller boats but larger boats are also welcome to participate. We mostly sail inside of Greenwich Bay with our primary goal of working on our sailing skills and quite frankly more so, out there just to have fun. I have found in the last few years that racing and cruising within the club had migrated to the larger based boats that are better served to be sailing out in Narragansett Bay. Our smaller boats have not been well served as such. This group is a way of creating a support system for the smaller based boater, non-boat owner, or the owner with limited time within the club to get out on the water. If you have any interest in joining the fun, contact me.

Thanks! Dean

Activities Report

From the Activities Corner—

This note may be somewhat short because I’ve been busy helping “My Captain” get Alchemy ready for launching this week. The biggest accomplishment was the conversion from a tiller to a wheel steering system. Pretty exciting for us.

The first night of Racing was rained out but we were right back on track last week. Even if you’re not a racer, join us for dinner at the armory. We usually expect the guys and gals to return with tales of the night around 8 PM. Just call ahead to reserve a spot - we wouldn’t want to run out of food. If you’d like to show off your specialty cooking

some night, don't be shy. Give one of us call, too.

Take a peek at the WBYC Facebook page or website to find out what's planned for upcoming cruises. –And be sure to contact Dean or Dave if you're planning to join in the "Family Day of Fun" on June 23rd.

Until next time,

WBYC Moorings

Thanks to the 35 people who responded to the recent WBYC survey on mooring usage.

The majority of the club members voted as follows:

- They will use the mooring 1-3 times per year
- They were equally mixed on using it alone, or rafting with another member
- They had little interest in allowing non-members to raft with them
- They didn't want a reservation system

Based on this, the mooring committee (Scott, Dean, Sandy) decided that the Bristol mooring would follow the Dutch Harbor mooring rules. Those rules are on the WBYC website under the FILES tab. Please review the rules, or better yet, download them and email to yourself so they are available should you run into a question when mooring or rafting. The full survey results are in the same folder.

A couple things to remember:

- Per Bristol and Jamestown rules, if more than one boat is on the mooring, then there must be at least one person, age 16 or older, on one of the boats at all times.
- Use common sense and break up a raft if the wind or chop becomes excessive.
- Always fly a WBYC burgee and carry your current membership card when using the mooring
- The current membership list (Boat name, type, and member name) will soon be on the website under the FILES tab, so you can check if a non-member is using the mooring
- Have fun!

The coordinates and mooring number were sent to all members last month. If you lost it, please contact one of the board members. That information is no longer in the mooring rules document in order to minimize non-members finding and using the mooring.

We will listen and adjust the rules if necessary next season after we get an idea of actual usage patterns.

4-6 times	4	12%
more than 6 times	2	6%
<i>What's your interest in arranging (in advance) for another member's boat to raft with yours on the Bristol mooring?</i>		
Low - I usually hang out myself, or with my family or with guests on my boat	16	46%
Some - I might arrange for other members to meet me there 1 or 2 times per season	15	43%
High - I often meet my WBYC friends during the summer and moor or anchor together	4	11%
<i>What's your interest in allowing a friend of yours who's not a member to raft with you on the Bristol mooring? (Note that the current rules for the Dutch mooring specifically exclude non-members)</i>		
Little to no interest	25	71%
Might want to do so a couple times per season	7	20%
Definitely would do so	3	9%
<i>How do you think the mooring in Bristol should be administered? Note that a reservation system guarantees you use of the mooring, but not exclusive use if another member comes by to raft.</i>		
Same as Dutch mooring - you sail over and take your chances that's it's not in use, or raft with a WBYC member already on the mooring (wind/weather permitting)	25	71%
Prefer a reservation system for summer weekends and holidays	7	20%
Prefer a reservation system all the time	3	9%

Comments		
I don't plan to motor my boat over to the mooring. I plan to sail there. So having a reservation is key for me. If not I need a backup mooring to go to. I don't do overnights on anchor.		
Great to have more options		
The Bristol mooring is a great addition. Good job to all that made this happen		
Would a reservation allow us to know who else is rafting?		
Great addition to the facilities. Thank you!!!		
I think 24 hour time limit is important. Otherwise, those who get there first will hog it for the weekend.		
I'm in favor of charging a modest fee for the use of all WBYC moorings to help offset annual mooring expenses!		
I appreciate the reservation thought, however with weather a constant change and often members personal plans changing at the last minute for many of us, it might be a challenge needing to cancel last minute and then informing other members that it is open. A "pilot" program for year one however is surely an option. If the effort to install a reservation system is made, with many WBYC members retired, a week day is often as important as a weekend and thus I would recommend putting in a reservation system all the time. If it's successful, we could consider it also for Dutch. Thanks to all for making this new benefit for WBYC members a reality! Well done! How many consecutive nights could it be reserved for, one or two or more?		
Administering both moorings by one set of rules will simplify life greatly. Who would want to remember and abide by separate & different rules?		
Keeping it as simple as possible is best		
the Bristol mooring is a great addition to the WBYC		
Don't allow non members. That can get out of hand.		
Thanks for doing this - I think it will prevent problems later on. I envision a pirate like takeover when someone arrives at the mooring and it is occupied...		
Rules should be consistent with the Dutch mooring to reduce problems, the Dutch rules have been developed over the years to reduce problems, we have lost members because of some rules not being present at the time of the problem. If a person is not a member they should not have any rights to a WBYC mooring.		
Bristol is a reach for me on my 22' S2...		
Using sign-up genius is a good way to have a reservation system. Ahyc has it for their BI Mooring		

New 2018 WBYC Mooring Rules

For use of our WBYC Dutch Harbor and Bristol Harbor Moorings:

Contact one of the WBYC board members for the mooring number and GPS coordinates

Dutch Harbor Mooring Rules (as adopted November 2010 and amended June 2018 for the Bristol mooring)

1. The mooring may only be used by West Bay Yacht Club members in good standing. Non-member guest boats are not permitted.
2. While using the club mooring, members must fly the club burgee, must carry an up-to-date membership card, and should carry a copy of these rules. FYI: In the event you find a non-member boat occupying the mooring and refusing to vacate, you can call the local Harbormaster to help resolve the issue. You should also document the boat name and type as well as take a picture of the boat showing the name and port.
3. Mooring use is first come-first served, when in compliance with all other Rules herein.
4. If you pick up the mooring, you agree to allow other member boats to raft with you. If you do not agree, please be prepared to vacate the mooring immediately upon arrival of any WBYC member boat who is willing to raft with others. If rafting room is available but you are not willing to raft with the boats already on the mooring, then you have no cause for complaint.
5. Rafting is encouraged, but allowed only in calm-to-moderate conditions. Three boats may raft on the mooring when conditions permit, however the sum of overall lengths may not exceed 100'.
6. All rafts should break up when stronger winds (12 kts. and higher) and rough seas arise that can cause damage to boats and/or ground tackle, and drag the mooring. When conditions change for the worse, the skipper of the boat who will be remaining on the mooring has the final say in asking others to leave the raft. Claim to the mooring is per Rule 3 unless Rule 8 applies.
7. Unattended boats may be rafted to when conditions permit and where the arriving boat has adequate crew and equipment to safely perform the rafting operation without the assistance of the other's absent crew. FYI: While it is legal to leave a single boat on the mooring unattended, it is illegal in both Jamestown and Bristol waters to leave a raft unattended (for example, everyone going ashore).
8. Except when there is no other demand, mooring use is limited to one twentyfour hour period per boat per weekend. Please observe these Courtesy Protocols: • Upon arrival, always announce your presence & desires to boats on the mooring. • Boats waiting to use the mooring should be served in order of their arrival. • Next boat up should be given notice when a departing boat leaves the mooring or raft.
9. Use Good Seamanship: Affix the mooring pennant eye to your cleat with a tie-down. If you need a longer pennant, DO NOT simply run a line through the pennant eye loop. Instead, tie your extra line to the eye so it cannot run freely and cause chafe damage to the eye.
10. Grievances: Where one member's disregard for these rules results in unfair denial of another member's rights of use, or where mooring equipment abuse is seen to occur, a good-faith attempt to resolve the issue between parties must be made on the water at the time of the incident. Unresolved complaints should be filed in writing with the Cruise Committee chair or with a Member-at-Large by the aggrieved party. Any member(s) found to have acted contrary to these rules may, by process of a grievance resolution hearing, be subject to disciplinary action by the Board of Governors.

Ahoy Mates,

Just a short message from your Race Committee Chair as the racing season is in “full swing” now that summer has finally arrived. During the coming week the 1st of several Saturday races will be held on the 23rd and we’re expecting between 6 and 12 boats to participate. In addition, I would like to remind the membership of our calendar of events for the coming season:

1. Summer Series (1810 1st Signal):
 - June 4th, 11th, 18th, & 25th
 - July 9th, 16th, 23rd & 30th
 - Aug 6th, 13th, 20th & 27th
2. Rainone Solo / Twin – June 23rd (1300 1st Signal)
3. Whalers Race to BI – July 21st (1130 1st Signal)
4. Lady Skippers Regatta – August 4th (1300 1st Signal)
5. Long Distance Race – August 18th (1300 1st Signal)
6. Pumpkin Patch Race – October 13th (1200 1st Signal)
7. Fall Series – Sept 5th, 12th, 17th & 24th (1800 1st Signal)

We are very fortunate this year to, once again, have Jim Wright our professional photographer back onboard the Race Committee boat taking a zillion photographs for your enjoyment and pleasure. In fact, I happen to know a sample of these photos has already made it into this month’s issue ... so enjoy some marvelous photography! Last, but not least, I want to individually thank our loyal Race Committee members for volunteering this season in assisting us in running another successful racing program. Specifically, I would like to recognize Celeste Wright, Jim Ward, Paul Finstein, Jim Wright, Scott Tagen and Peirce Brawner for all their assistance in making the committee’s jobs a lot more pleasant and enjoyable. Please, when you see them about take a few minutes to thank them for their time and commitment.

Should you have any questions regarding our various programs feel free to drop me an email at grantbrandon01@gmail.com. Looking forward to seeing everyone on the Bay for another fun and exciting season.

Best regards, Grant

All skippers are required to complete a 2018 Race Entry and Release of Liability Form and submit it along with a current PHRF-NB rating certificate. The “form” is available from either the WBYC website or by emailing the Race Committee Chair at grantbrandon01@gmail.com. Once forms are completed, enclose check and mail to: West Bay Yacht Club, Attn: Race Committee, P.O. Box 1604, East Greenwich, RI

02818. An additional payment option through PayPal will also be available via the website (westbayyachtclub.org). Note, all entry forms must still be submitted to the Race Committee if payments are made through PayPal.
